Ask your customer the following questions:

Did you have one or more of the following symptoms in the past 24 hours?
- Coughing
- Symptoms of a common cold
- Fever or elevated temperature
- Shortness of breath
- Loss of taste and smell

Does anyone in your household have mild symptoms accompanied by fever or shortness of breath?

Have you had a novel coronavirus infection (laboratory-confirmed in the past 7 days)?

Does someone in your family or household have a COVID-19 infection, and have you had close contact with them in the past 10 days while they still had symptoms?

Are you in quarantine because you have:
- had close contact with someone with a confirmed COVID-19 infection?
- been in a COVID-19 high-risk area?*
- because you received a notification from the Coronamelder-app?

If you answered yes to one or more of these questions, do not make an appointment, or cancel your appointment.
