Subject: invitation for the COVID-19 vaccination

Dear <<initials>> <<surname>> ,

This letter is an invitation to get the COVID-19 vaccination. Because of your age, you have a higher risk of becoming seriously ill from COVID-19. This applies even if you feel healthy. This COVID-19 vaccination will offer you better protection against serious illness due to COVID-19. It is up to you to decide if you want to get vaccinated.

### **Making an appointment**

You can make an appointment to get the COVID-19 vaccination from the Municipal Public Health Services (GGDs) near you. Vaccinations will be given from 16 September to 6 December 2024. You do not have to pay anything for the COVID-19 vaccination.

- You can schedule the appointment at [www.planjeprik.nl](http://www.planjeprik.nl). You will need your DigiD to log in.
- If you do not have a DigiD yet, You can call the GGD during office hours on 0800-7070. You will need your citizen service number (BSN) for the call.
- Would you like to travel to the appointment with someone who is also eligible to get the COVID-19 vaccination?  
Go to [www.planjeprik.nl/afspraak](http://www.planjeprik.nl/afspraak)

Are you unable to travel to a GGD vaccination location on your own or with assistance, for health reasons? Call 0800-7070 to discuss if you can get the COVID-19 vaccination at home.

### **COVID-19 vaccination in a care facility or institution**

Do you live in a residential care facility or institution? Then you will get the COVID-19 there. The care facility or institution will give you more information about this.

### **Preparing for your appointment**

- After making your appointment, the Municipal Public Health Service (GGD) will send you an e-mail confirming the date and time.  
The e-mail contains important information about the appointment. Read it carefully.
- This letter also includes a list with questions about your health.  
Complete the list at home and bring it with you to the appointment.

More information is available on the attached information sheet. Any questions?  
Go to <https://www.rivm.nl/en/coronavirus-covid-19/vaccination> or call 088 6 89 89 89.

Kind regards,

T.E. Nutma, public health physician
