Subject Invitation for the COVID-19 vaccination

Dear <<initials>> <<surname>>,

This letter is your invitation to get a COVID-19 vaccination. This vaccination will offer you better protection against serious illness due to COVID-19.

An appointment has already been scheduled for you. Obviously, it is up to you to decide if you want to get vaccinated. The COVID-19 vaccination is free of charge.

When and where is your appointment?

Your appointment: <appointment_day> <appointment_date>
Time: between <appointment_start> and <appointment_end>
Address: <location name>
 <location_address> <location_housenumber> <location_addition>
 <location_postcode> <location_city>

Practical information about some vaccination locations can be found online at
www.planjeprik.nl/informatie.

Reschedule or cancel your appointment?

You can reschedule or cancel an appointment via
www.planjeprik.nl/afspraak. You will need your DigiD.

If you do not have a DigiD yet, Call the GGD call centre during office hours on 0800-7070. You will need your citizen service number (BSN).

Vaccinating at home: only if medically necessary

In exceptional cases, if a serious illness, disorder or disability prevents you from going to a vaccination centre on your own or with assistance, it is possible to receive the COVID-19 vaccination at home. Call 0800-7070 to arrange this.

Caution!

- If you have a fever (38 degrees Celsius or higher) on the day of your appointment, then reschedule your appointment.
- The vaccination will be given from 15 September to 5 December 2025.

Preparing for your appointment

- Take this invitation letter with you.
- Bring your proof of identity (passport, driving licence or ID card) with you.
- This letter also includes a questionnaire about your health. Complete it at home and bring it to your appointment.
- Wear clothes that let you expose your upper arm easily.

More information is available on the enclosed information sheet. Any questions? Go to <https://www.rivm.nl/en/coronavirus-covid-19/vaccination> or call 0800-7070.

Kind regards,

T.E. Nutma, public health physician
